

Hollow (Radio Edit)

Submersed

To you
I'm all I've left undone
I'm all I haven't won
Lift me up my soul's so hollow
Lift me up You take
The breath you didn't make
What's left you did forsake
Lift me up my soul's so hollow [Repeat: x1] You can make me scream internally
You can make me breathe eternally
Yeah You see
The things I cannot change
The things that make me plain
Lift me up my soul's so hollow
Lift me up We've made
All from the sum of none
All that we have become
Lift me up my soul's so hollow [Repeat: x1] You can make me scream internally
You can make me breathe eternally You can make me scream internally
You can make me breathe eternally Fill, fill what's in me
Fill, fill what's in you
Fill, fill what's in me
So my soul's not left so hollow You can make me scream
You can make me breathe You can make me scream internally
You can make me breathe eternally You can make me scream
You can make me breathe
You can make me scream
You can make me breathe, me breathe
