Boxing Day

The Workhouse

Take it all down, Christmas is over
Do not despair but rather be glad
We had a good year, now let's have another
Remembering all the good times that we had
Oh, no more lights glistening, no more carols to sing
But Christmas, it makes way for spring
The hearts of men are bitter and weathered
As cold as the snow that falls from above
But just for one day we all came together
We showed the whole world that we know how to love
Oh, no more lights glistening, no more carols to sing
But Christmas, it makes way for spring
Oh, no more lights glistening, no more carols to sing
But Christmas, it makes way for spring
Oh, remember that Christmas it makes way for spring
