

# Boxing Day

## The Workhouse

Take it all down, Christmas is over  
Do not despair but rather be glad  
We had a good year, now let's have another  
Remembering all the good times that we had  
Oh, no more lights glistening, no more carols to sing  
But Christmas, it makes way for spring  
The hearts of men are bitter and weathered  
As cold as the snow that falls from above  
But just for one day we all came together  
We showed the whole world that we know how to love  
Oh, no more lights glistening, no more carols to sing  
But Christmas, it makes way for spring  
Oh, no more lights glistening, no more carols to sing  
But Christmas, it makes way for spring  
Oh, remember that Christmas it makes way for spring
