## Christ Agony

When beauty dies  
Raise symbol falls  
On the arms of sin  
Faith's carried Dead is the symbol  
The magic...  
Depth and the abyss...  
Night is the redemption  
In the arms of the lover  
Blood on her lips  
Unholy concern When beauty dies  
Lips dripped with  
The blow of nothingness  
Among the open gates  
You will be the come truth When beauty dies  
blood on my palms  
Covers the way with roses
