

Prayer For an Angel

[Abra Moore](#)

Don't tie the string so tight
She tried
she'll never slip away from you
A broken wing don't fly
A kiss, a kiss to say
goodbye
To a world you used to know
I watch you chase her down
Away from you
But, can you hear her cry
Hope, hope is all you've got
You've forgotten how to find your way
Over you
Don't tie the string so tight
she'll
never slip away from you
She tried
A broken wing don't fly.
