

Peace of Mind (Croquet Club Remix)

Above & Beyond

I lost all the riches
The diamonds in the mine
It turns out that this was the best thing
To ever happen to me
Errors and glitches
And what a way to find
That such hurt can bring you a greater piece of mind
Ooh
Bring me
Piece of mind
Ooh
Bring me piece of mind
If you've ever lost every part of yourself
If you've left your heart on a lonely avenue
It will be only a matter of time
Before your life comes through for you
If you've ever lost every part of yourself
If you've left your heart on a lonely avenue
It will be only a matter of time
Before your life comes through for you
If you've ever lost every part of yourself
If you've left your heart on a lonely avenue
It will be only a matter of time
Before your life comes through for you
If you've ever lost every part of yourself
If you've left your heart on a lonely avenue
It will be only a matter of time
Before your life comes through for you
