

# Gentle Savior (LP Version)

## David Phelps

Where are the signs? Which way should I go?  
I planned each step but now I don't know  
Tomorrow is a chasm of uncertainty  
But, I will go there, if you'll go with me[Chorus]  
Gentle Savior, lead me on  
Let Your Spirit light the way  
Gentle Savior, lead me on  
Hold me close and keep me safe  
Lead me on, gentle SaviorWhy can't I walk away from my regrets  
And why is forgiveness so hard to accept  
My past surrounds me like a house I can't afford  
But You say, "Come with me, don't live there anymore"[Chorus]And when I reach the valley, every soul must  
journey through  
I'll remember then how well You know the way  
I'll put my hand in Your hand like a trusting child would do  
And say[Chorus]
