

# If I Should Fall Behind

**Jubilant Sykes, Jennifer Warnes, Mark Batson, Step**

We said we'd walk together  
    Baby come what may  
    Back from the twilight  
Should we lose our way  
    As we were walking  
    A hand should slip free  
    I'll wait for you  
Should I fall behind wait for me  
    Swore we'd travel together  
    Darlin' side by side  
    We'd help each other  
    Stay in stride  
    Each lover steps on  
    So differently  
    So I'll wait for you  
Should I fall behind wait for me  
    Everyone dreams of  
    A love lasting and true  
You and I know what this world can do

So let's make ourselves be  
    That the other may see  
    And I'll wait for you  
Should I fall behind wait for me  
    There's a beautiful river  
    In the valley ahead  
    There need be no drought  
    Soon we will wed  
    Should we lose each other  
In the shadow of the evening dreams  
    Oh, I'll wait for you  
Should I fall behind wait for me  
    Darlin' I'll wait for you  
Should I fall behind wait for me  
    Wait for me  
If I should fall behind wait for me  
    Wait for me
