Red Letters

dc Talk

Pages filled with a holy message
Sealed with a kiss from Heaven
On a scroll long agoPhrases, words that were bound together
Now have the power to sever
Like a sword, evermoreHeed the words Divinely spoken
May your restless heart be broken
Let the Supernatural take holdThere is love in the red letters
There is truth in the red letters
There is hope for the hopelessPeace and forgiveness
There is life in the red letters
In the red lettersOne Man came to reveal a mystery
Changing the course of history
Made the claim, He was GodAgeless, born of a Virgin Mary
Spoke with a voice that carried through the years
It's perseveredHeed the words Divinely spoken
May your restless heart be broken
Let the Supernatural take hold, take holdThere is love in the red letters
There is truth in the red letters
There is hope for the hopelessPeace and forgiveness
There is life in the red letters
In the red letterWhat you say moves me
Revelation, come and take me
The more I look, the more I lookThe more I see, the more I see
The word of God, the word of God
Is what I needOh, yeah, oh, yeah, yeah, it is the book of love
Yeah, yeah, yeah, it is the book of love
[Incomprehensible]There is love in the red letters
There is truth in the red letters
There is hope for the hopelessPeace and forgiveness
There is life in the red letters
In the red letter
In the red letterIn the red letter
(Speak to me and breathe in me new life)
In the red letter
(Speak to me and breathe in me new life)Let Him in your heart
Let Him in your heart
Let Him in your heart
Let Him in your heart
