

# Doing Alright With the Boys

Gary Glitter

Alright with the boys  
Alright with the boys  
Alright with the boys  
Alright with the boysHey you, what you gonna do?  
Now I'm back with the boys again  
Hey you, I've been through it too  
Now I'm back with the boys againAin't no doubt that I've been missin' out  
On someone's kissin'  
Oh, you will find that I knew all the time  
What I was missin'  
And now I'm back with the boysHey you, what you gonna do?  
Now I'm makin' all the noise again  
Hey you, what you gonna do?  
Now I'm playin' with my toys again  
Now I'm back with the boys againI'm doin' alright, I'm doin' alright  
With the boys, boys, boys  
I'm doin' alright, I'm doin' alright  
With the boys, boys, boysHey you, what you gonna do?  
Now I'm back with the boys again  
Hey you, what's your point of view?  
Now I'm back with the boys againAin't no doubt that time is runnin' out  
Now you must chase me  
Oh, what a drag that money in your bank  
Just can't replace me  
Now I'm back with the boysHey you, what you gonna do?  
Now I'm makin' all the noise again  
Hey you, what you gonna do?  
Now I'm jumpin' up my joys again  
Now I'm back with the boys againAlright with the boys  
Alright with the boysI'm doin' alright, I'm doin' alright  
Now I'm back with the boys again  
I'm doin' alright, I'm doin' alright  
Now I'm back with the boys againPlay with my toys, makin' the noise  
Now I'm back with the boys again  
Back with the boys makin' the noise  
Now I'm back with the boys again  
Alright, now I'm makin' the noise again
