

Higher

Carly Rae Jepsen

I was lost alone and searchin'
For someone who understands me for who I really am
Didn't know that I was hurtin'
'Til you left me up inside
And he opens up my eyes, oh You wanna know what I'm thinkin'
Ever since you came I'm livin'
On top of the world, I can't deny
Every one of my fears has vanished
I don't know how you managed
To wake me up and come alive You take me higher than the rest (hey)
Everybody else is second best (oh oh oh)
You pulled a gem out of the mess
I was so cynical before, I must confess
Oh you got me, high, high, higher
Oh you got me, high, high, higher Toss and turn, a few mistakes but
You slipped in and showed me how
Never let me hit the ground
All the love was hesitated
But ever since you came around
I feel more than safe and sound You wanna know what I'm thinkin'
Ever since you came I'm livin'
On top of the world, I can't deny
Every one of my fears has vanished
I don't know how you managed
To wake me up and come alive You take me higher than the rest (hey)
Oh, everybody else is second best (oh oh oh)
You pulled a gem out of the mess
I was so cynical before, I must confess
Oh you got me, high, high, higher
Oh you got me, high, high, higher Oh yeah your love turns me on
Gets me higher
Oh yeah your love takes me up
Gets me higher
Oh yeah your love turns me on
Gets me higher
Oh yeah your love takes me up
Gets me higher You take me higher than the rest (hey)
Oh, everybody else is second best (oh oh oh, second best, second best)
You pulled a gem out of the mess

I was so cynical before, I must confess
Oh you got me, high, high, higher
Oh you got me, high, high, higher
Oh you got me, high, high, higher
Oh you got me, high, high, higher, oh you got me
