

# I Feel Free

**David Bowie**

I feel free, I feel free  
I feel free, I feel free  
I feel free, I feel free  
    (I feel free)  
Dear, when I dance with you  
    We move like the sea  
You, you're all I want to know  
    I feel free, I feel free  
I can walk down the street, there's no one there  
    The pavement is one huge crowd  
I can drive down the road, my eyes can't see  
    But my mind wants to cry out loud  
I can walk down the street, there's no one there  
    The pavement is one huge crowd  
I can drive down the road, my eyes can't see  
    But my mind wants to cry out loud  
  
My mind wants to cry out loud  
    I feel free, I feel free  
    I feel free, I feel free  
    I feel free, I feel free  
    (I feel free)  
Dance floor is like the sea  
    The ceiling is the sky  
You're the sun and as you shine on me  
    I feel free, I feel free, I feel free  
    (I feel free, I feel free, I feel free)  
    I feel free, I feel free  
    I feel free, I feel free  
    I feel free, I feel free
