

# And On The 8th Day

## Kiss

The sky is fallin' an' the wheels of life  
Are grindin' out a brand new beat  
The streets are burnin' with the call of the wild  
And I can feel the heat They'll call you names an' spit in your face  
But legends never die  
Just pick up your guitar, on your knees an' pray  
An' hold your head up high An' on the 8th day God created rock n' roll  
On the 8th day God created rock n' roll Out of the ashes came the dawn  
An' the shape of things to come  
Never surrender, just carry on  
Straight to kingdom come You sold your soul an' virginity  
Ya can't rape a heart of gold  
Yes, you're born to rule, it's destiny  
Now it can be told And on the 8th day God created rock n' roll  
And on the 8th day God created rock n' roll On the 8th day God created rock n' roll  
On the 8th day God created rock n' roll Rock of ages carry the news  
To the heart of a brave new world  
Feel the noise in the name of rock  
Let the heavens roar And on the 8th day God created rock n' roll  
On the 8th day God created rock n' roll
