

# Like or Like Like

## Miniature Tigers

I watched you through your window  
I was wearing that dumb sweatshirt  
I looked like a goon, I was dressed for winter  
Even though it was the middle of June I watched you get undressed  
I must have turned bright red  
'Cause I couldn't stand to face you  
'Cause I liked what I saw  
And maybe we should just be friends Tell me how you feel about me  
Do you like or like, like me?  
Tell me what you really feel  
Do you like me? Just say you do I climbed up your front porch  
And I doorbell ditched ya  
And I felt so bad, couldn't cope to what I did  
So I laughed myself sick all the way to my car Tell me how you feel about me  
Do you like or like, like me?  
Tell me what you really feel  
Do you like me? Just say you do Tell me how you feel about me  
Do you like or like, like me?  
Tell me what you really feel  
Do you like me? Tell me how you feel about me  
Do you like or like, like me?  
Tell me what you really feel  
Do you like me? Just say you do
