Hard Candy

Rialto

Sugar high, then she drops me,
From the sky, but it never stops me.
From the very first taste it began,
I only want to make her understand,
Hold her as she melts into my hands,
Even if she acts like she can't stand me,
That's just my Hard Candy.
That's just my Hard Candy.
Glycerine is in my veins.
It's serene, till she runs out again.
From the very first taste it began,
I only want to make her understand,
Hold her as she melts into my hands,
Even if she acts like she can't stand me,
That's just my Hard Candy.
That's just my Hard Candy, Candy.
Such a waste, when she leaves me, a bitter taste,
When I want her to feed me.
All the shiny paper's just a sham,
I only want to make her understand...
Hold her as she melts into my hands,
Even if she acts like she can't stand me,
That's just my Hard Candy,
That's just my Hard Candy.
