All right, all right, that's what I'm talking about!
Now, everyone give it up for the maid of honor, Angelica Schuyler! A toast to the groom!

To the groom, to the groom

To the groom To the bride!

To the bride

To the bride (to the bride) From your sister

Angelica, Angelica

Angelica Who is always by your side

By your side, by your side

To your union

To the union! (To the union)

To the revolution! And the hope that you provide

You provide

You provide May you always

Always Be satisfied Rewind Rewind

Rewind Helpless...

Skies... skies...

Drownin' in 'em...

Drowning

Rewind

I remember that night, I just might (rewind!) I remember that night I just might (rewind!)

I remember that night, I remember that "€"

I remember that night, I just might

Regret that night for the rest of my days

I remember those soldier boys

Tripping over themselves to win our praise

I remember that dreamlike candlelight Like a dream that you can't quite place

But Alexander, I'll never forget the first time I saw your face

I have never been the same

Intelligent eyes in a hunger-pang frame

And when you said "Hi," I forgot my dang name Set my heart aflame, ev'ry part aflame This is not a game

You strike me as a woman who has never been satisfied I'm sure I don't know what you mean You forget

yourself You're like me, I'm never satisfied Is that right? I have never been satisfied My name is Angelica

Schuyler Alexander Hamilton

Where's your family from? Unimportant, there's a million things I haven't done

Just you wait, just you wait

So so so

So this is what it feels like to match wits

With someone at your level! what the hell is the catch? It's

The feeling of freedom, of seeing the light
It's Ben Franklin with a key and a kite

You see it right?

The conversation lasted two minutes, maybe three minutes, everything we said in total agreement!

It's a dream and it's a bit of a dance

A bit of a posture, it's a bit of a stance. He's

A bit of a flirt, but I'mma give it a chance

I asked about his fam'ly, did you see his answer? His hands started fidgeting, he looked askance

He's penniless, he's flying by the seat of his pants

Handsome, boy does he know it

Peach fuzz and he can't even grow it I wanna take him far away from this place
Then I turn and see my sister's face and she is Helpless
And I know she is Helpless
And her eyes are just Helpless
And I realize Three fundamental truths at the exact same time
Where are you taking me? I'm about to change your life
Then by all means, lead the

way

Number one!

I'm a girl in a world in which

My only job is to marry rich

My father has no sons so I'm the one

Who has to social climb for one

So I'm the oldest and the wittiest and the gossip in

New York City is insidious
And Alexander is penniless
Ha, that doesn't mean I want him any less
Elizabeth

Schuyler, it's a pleasure to meet you
Schuyler? My sister!

Number two!

He's after me because I'm a Schuyler sister

That elevates his status, I'd

Have to be naive to set that aside

Maybe that is why I introduce him to Eliza
Now that's his bride

Nice going Angelica, he was right, you will never be satisfied

Thank you for all your service

If it takes fighting a war for us to meet, it will have been worth it

I'll leave you to it!

Number three!

I know my sister like I know my own mind

You will never find anyone as trusting or as kind

If I tell her that I love him she'd be silently resigned

He'd be mine

She would say "I'm fine"

She'd be lying

But when I fantasize at night, it's Alexander's eyes

As I romanticize what might have been if I hadn't sized

Him up so quickly

At least my dear Eliza's his wife

At least I keep his eyes in my life

To the groom!

To the groom, to the groom

To the groom

To the bride!
To the bride
To the bride (to the bride)
From your sister
Angelica, Angelica
Angelica
Who is always by your side
By your side, by your side
To your union
To the union!
To the revolution!
And the hope that you provide
You provide
You provide
May you always
Always
Be satisfied
Satisfied, (satisfied), satisfied
And I know (be satisfied) ((be satisfied)) (be satisfied)
She'll be happy as his bride (satisfied, satisfied, satisfied)
And I know ((be satisfied)) (satisfied, satisfied, satisfied)
((be satisfied))
He will never be satisfied
I will never be satisfied
