[Esham talking]

The wicketshit continues

After I told these niggaz to stay off my dick
They still on my dick trying to bite the wicketshit
Niggaz still wanna know what Esham mean
Esham stands for East Side Hoes And Money

That's what I'm all about

But for all y'all niggaz bitin the wicketshit
And tryin to bite the style

I want you to think about one thing

[Samples Rakim]

Remember me? The one you gotcha idea from Back in this bitch... yo for the 9-4

I gotta let these niggaz know once again

That I'm comin like this

They said the wicketshit was dead (dead)

Some ol' wicketshit ain't never dead

I gotta let y'all hoes know I'm comin back on yo ass I stopped believing in god about a year ago

In god I can't trust but uh you don't hear me though

Cause my life in the sunshine ain't sunny

A suicidalist

My memory's on the bliss

But can you really dig what I dug if I drug

The life of a thug caught a .45 slug

I wish I was dead

But I'm fucked up in the head

Cause I'm kinda hesitant to kill myself

But I hate life

Life ain't nothin but money

And it ain't funny when your honey gets runny

I wish I was down but my mind spins round and around

And how many times can dead bodies be found

But you don't understand the tales of a madman

Unholy comin at your ass once again
Amen, and I don't give a fuck though
Sometimes I feel like giving up yo
It makes me wanna hollachorus 2x[samples prince]
(samples Snoop Dogg)[I feel like givin up]
(Make make me wanna make make me wanna holla)
[When ever my sunshine turns to rain]
(Make me wanna holla cause my dollas come in ozones)[E
