

Liar

Pompeya

Baby
You're a liar
No time
To communicate
Tortured
By desire
Not trying to getawayIt's just like evidence
To know
(my evidence)You left me in tears
And now you show
My evidenceListen
To the water
But tomorrow
I move to a silent side
Nothing
Will relate us
Just let out a little a sighI'm so fed up with lying
To everyone
You left my fears beneath the seas
Now tears go downIt's a sign
In got me giving out everything
Hope inside
And it ours to give awayIt's a sign
That i've given you everything
Hope inside
And it's time to give away
It's my time
That i've given you every day
Hope inside
And it's time to getaway
