

Happy

Mazzy Star

Fields of light
They hold me inside
Count my stars
They are lucky in the sky There's a time
When you go off the line
And all my things
Look like someone else's memories Cold outside, burns a great big hole in my heart
I'll just wait, 'til you're happy
And your smile makes it right
It makes it right Sleep inside, the ocean has smiles
It shimmers and it flows for some people
I know it shines
I know it shines Stay inside, don't the colors make you blind
They hold me inside, count my stars
Let them shine
I know they shine
