Open Your Eyes

Keith Green

This generation of believers that you and me are a part of
We are responsible for this generation of souls
All over the world, we're responsible for them
We're responsible to pray daily for the needs
Of ministries around the world and ask God"How about me not sending my money this time
How about me going?" It's so easy to write checks
It's so easy, but God can't cash out of state
Checks in Heaven, He needs youOpen your eyes to the world all around you
Open your eyes, open your eyes
This world is much more than
The things that surround youYou must arise and open your eyes
Sometimes we're too busy to share
But Jesus wants to care, to careOpen your arms to the naked and shivering
Open your arms, open your arms
We need a little less taking a whole lot more giving
We're so safe and warm, we can open our armsAnd love a little bit stronger
And pray a little bit longer, longer
Jesus says, when we love someone
In His name, we're loving Him
Jesus says, when we touch someone
In His name, we're touching HimAnd we've got to show them the light
We've got to pour out our lives
Open your hearts to the ones who are desperate
Open your hearts, open your hearts
They may never repay you but their souls are worth itThe life you impart when you open your heart
Jesus loves all men the same
So we've got to go out in His name
Jesus says, when we touch someone
In His name, we're touching HimJesus says, when we love someone
In His name, we're loving Him
Jesus says, when we feed someone
In His name, we're feeding Him
And Jesus says, when we reach someone in His name,
He feels, He says, it's all for Him, it's all for HimOpen your eyes to the world all around you
Open your eyes, open your eyes
This world is much more than
The things that surround you
Jesus loves all men the sameSo we've got to go out in His name
Jesus says, Jesus says, Jesus says, it's Him

Jesus says, when we love someone
In His name, we're loving Him
