

Shiza Radio

Shaka Ponk

I wrote a song, a Shiza Song
On radio, I wanna go
I WANT IT ALL, AROUND THE WORLD
Cada stereo for my bongo

I made a song, a shiza song,
On radio, I wanna go
I wanna sing, mi crappy swing
On shiza tunes of idiots

'Letseugo on radio'

I want the TV, I wanna rock
I want the girl who want the singa suck
A private party, so I can shine
I want Fergie to sing into my mic

Tokyo city, Angola, Cuba, Dolce cabanna
Bigga NY City, Barcelona Miami
China, Inglaterra, Vatican o Panama
From Gaza, Gaya to Neptune, play my funky tune

I made a song, a shiza song,
On radio, I wanna go
I wanna sing, mi crappy swing
On shiza tunes of idiots
I wanna please stunning MCs
Numero UNO, I wanna go
Hit the radio with my bongo

Ho gimme joba-jobi-blow you funckin loser operator

Fuck you operator, you gonna sucka sucka mÃ©
You stuck in the transistor, you're playing suga suga babe
oh suga baaaabe

Tell me something I don't know
Solo gimme gimme some, ...

I made a song, a shiza song,

On radio, I wanna go
I wanna sing, mi crappy swing
On shiza tunes of idiots
I wanna please stunning MCs
Numero UNO, I wanna go
Hit the radio with my bongo

Ho gimme joba-jobi-blow you funckin loser operator
