

Vanishing

Barenaked Ladies

A rabbit and a top hat
A handkerchief and ring
With a wave of a wand
He'll pull your heartstringsHe's a magician
Hoping, wishing
And you're the one vanishingIsn't that the necklace
He found behind your ear?
He's floating upside-down
Below a chandelier
Wishing he had the power
To make you reappearHe's a magician
Hoping, wishing
And you're the one vanishingAll the words of love
He longs for you to hear
He whispers them each night
Into a lion's earUnder the stage lights
At the Bellagio
He has got your card
But you had to fly homeHe's a magician
Hoping, wishing
And you're the one vanishingYou are vanishing
You are vanishing
You are vanishing
You are vanishingHe's a magician
Hoping, wishing
And you're the one
You're the one
You're the one vanishingYou are vanishing
You are vanishing
You are vanishing
You are vanishing
