

Our Days

Yanni

Our Days Performed by Leslie Mills

Whatâ€™s underneath the warmest water
Whatâ€™s in your dreams thatâ€™s like no other
Are you alone
Are you alright now

Let your secrets out
Let me just find out

Look into my eyes
Leave it all behind

Letâ€™s get in the deep
Look into my eyes
Letâ€™s get in the deep
Leave the rest behind
Letâ€™s get in the deep
And see what we can find
