Take Me I'm Yours

Cheap Trick

You walked in the room
First I saw your face, then I saw you smile
A pretty girl like yourself
You've got a new approach
And the time is right
You think, you're so fine, oh, so fine
And it so excites me
Come six with my nine
You're my perfect partner
The time's good tonight
Take me I'm yours
Take me I'm yours
Come on now and take me
Take me amour
Take me I'm yours
Come on now and take me
Oh, don't you be so nice to me
Oh, you can't be serious
A pretty girl like yourself
You'll be my perfect partner
The time's good tonight
Take me I'm yours
Take me I'm yours
Come on now and take me
Take me amour
Take me I'm yours
Come on now and take me
I love the way you wear your hair
I saw the way you stopped and stared
When I looked at you, oh no, oh no
Well, maybe girls like you aren't free
But baby, baby, can't you see?
I just wanna be with you
You walked through the room
Continental style and sweet perfume
A pretty doll like yourself
You've got a new approach
And the time's good tonight
Take me I'm yours

Take me I'm yours
Come on now and take me
Take me amour
Take me amour
Come on now and take me, take me
