

I Love You More Than Cheese

Sandra Boynton

I love you more than cheeseI've been trying to think how to tell you,
Just what you mean to me
By now I know very well you
Are all that a mouse should be
Your little pink ears, your quivering nose
For me there could be no other.
So here is the song that I'd like to propose,
One mouse to anotherI love you more than cheese, my dear
A Leiderkranz won't do
Mere Roquefort wouldn't please, my pet
If I could be with you
I love you more than cheese, my dear
I have no need of food
No Goudas, Muensters, Bries, my love
I'm just not in the moodI'd give up Provolone
If you would have it so
If you'd give me a kiss please, then Swiss cheese I'd forgo
Of Philadelphia cream I need no longer dream
For I love you more than cheese.
