Get on the dance floorThe story goes, I'm at the bar, she's out on the floor
Fellows they come and they go, but none of them giving shows
And we like ice, 'cause I ain't like them other guys (no)
So I know what to say I think it's time that I make my way over to herYou know that I gotta get at ya baby
Let nobody come snatch ya baby
Can none other of these other chicks match ya baby
I got you baby, I got you babyMaking my way to traffic baby
We can break out and make a little magic baby
If you mess it, it might be tragic baby
Get at me baby, get at me baby-ey-eyYou're the one I want (I want)
You're the one I need (I need)
Other chicks out been here don't, don't do it for me
They don't do it for me-ey-eyEverybody out my way
