

# Spring

## Two Door Cinema Club

I had watched you taking in the spring  
through dusty sun-kissed bodies wondering  
Between you and me  
As if they don't see this distraction  
This beautiful view  
This delicate you in the way  
If I follow you tonight  
And leave tomorrow  
If its all forgotten love  
forgotten love  
If I follow you then  
I will need you closer  
One more day is not enough  
Anything that I could ask of you  
Is more than anything that I could do  
What did I say  
I cannot say I remember  
but every word  
Seems so absurd my love  
If I follow you tonight  
And leave tomorrow  
If its all forgotten love  
Forgotten love  
If I follow you then  
I will need you closer  
One more day is not enough  
I don't mind  
If all this time  
Is all that we had to spend  
Everyone carelessly pretend  
If I follow you tonight  
And leave tomorrow  
If its all forgotten love  
Forgotten love  
If I follow you then  
I will need you closer  
One more day is not enough
