The Winter Song

Eisley

Walking home with the snow
It is falling down
Passing by lit windows
The people inside
They wave from the glow
The chimney smoke billowing
Snowflakes on my lashes
Oh, starry night I was walking
And singing this song
La, la, la
La, la, la
La, la, la
Walking home with the snow
It is falling down
Passing by lit windows
The, the people inside
They wave from the glow
The chimney smoke billowing
Snowflakes on my lashes
Oh, starry night I was walking
And singing this song, singing
La, la, la
La, la, la
La, la, la
It's that day again
It's that time of year
With our smiling faces
We will sing with cheer
La, la, la
La, la, la
La, la, la
