

Hello

Cody Simpson

I like this right here
I like it when you say helloHey girl, you're my sun now
You get me so high, like the supernova
I'm like oh oh, she's headed for the door
I tear down every fella just to be your only Casanova
I gotta get your number before you goStaring at the ceiling, girl you got me dreaming
Listen to the dial tone
Take another minute
Push another digit
Girl, pick up your phone
(Hello)'Cause I just wanna hear you say hello
Hello... hello... hello...
Can you hear my heart beat through the phone?
Hello... hello... hello...I just wanna hear you say hello
Hello... hello... hello...
Can you hear me love you through the phone?
Hello... hello... hello...Hey there, Juliet-et
Can you write me into your story?
Need a test to prove I can be your Romeo (Romeo)
City girl, you're my superstar
And really you'll be tattooed on my heart
Waiting on a one little word for you
Sitting in my room
Staring at the ceiling, girl you got me dreaming
Listen to the dial tone
Take another minute
Push another digit
Girl, pick up your phone
(Hello)'Cause I just wanna hear you say hello
Hello... hello... hello...
Can you hear my heart beat through the phone?
Hello... hello... hello...I just wanna hear you say hello
Hello... hello... hello...
Can you hear me love you through the phone?
Hello... hello... hello...Staring at the ceiling
Now I know I'm dreaming
Looking at the ceiling
Girl, pick up your phone'Cause I just wanna hear you say hello
Hello... hello... hello...

Can you hear my heart beat through the phone?
Hello... hello... hello...I just wanna hear you say hello
Hello... hello... hello...
Can you hear me love you through the phone?
Hello... hello... hello...'Cause I just wanna hear you say hello
Hello... hello... hello...
Can you hear my heart beat through the phone?
Hello... hello... hello...I just wanna hear you say hello
Hello... hello... hello...
Can you hear me love you through the phone?
Hello... hello... hello
