

Guess God Thinks I'm Abel

Oasis

I could be your lover
You could be all mine
We'd go on forever
Til the end of time You could be my best friend
Stay up all night long
You could be my railroad
We'd go on and on Let's get along, there's nothing here to do
Let's go find a rainbow
I could be wrong but what am I to do?
Guess God thinks I'm Abel
You could be my enemy
I guess there's still time
I'd get 'round to loving you
Is that such a crime? Let's get along, there's nothing here to do
Let's go find a rainbow
I could be wrong but what am I to do?
Guess God thinks I'm Abel No one can break us
No one could take us
If we try No one can break us
No one could take us
If we try
No one can break us
No one could take us
If we've tried Come along, let's make it tonight
