

Wolf

First Aid Kit

Wolf-mother, where you been?
You look so worn, so thin
You're a taker, devils-maker
Let me hear you sing, hey-ya hey-ya Wolf-father, at the door
You don't smile anymore
You're a drifter, shape-shifter
Let me see you run, hey-ya hey-ya Holy light over the night
Oh, keep the spirit strong
Watch it grow, child of war
Oh, keep holdin' on When I run through the deep dark forest long
After this begun
Where the sun would set
The trees were dead
And the rivers were none
And I hope for a trace
To lead me back home from this place
But there was no sound there was only me, and my disgrace (Hey, hey, hey, hey, hey, hey, hey, hey, hey)
(Hey, hey, hey, hey, hey, hey, hey, hey, hey-a) Wolf-mother, where you been?
You look so worn, so thin
You're a taker, devils-maker
Let me hear you sing, hey-ya hey-ya Wolf-father, at the door
You don't smile anymore
You're a drifter, shape-shifter
Let me see you run, hey-ya hey-ya Wayward winds, a voice that sings
Of a forgotten land
See it fall, child of war
Oh, lend a mending hand When I run through the deep dark forest long
After this begun
Where the sun would set
The trees were dead
And the rivers were none
And I hope for a trace
To lead me back home from this place
But there was no sound there was only me, and my disgrace (Hey, hey, hey, hey, hey, hey, hey, hey, hey)
(Hey, hey, hey, hey, hey, hey, hey, hey, hey-a)
