Feel Me, Touch Me (Do Anything You Want)

Fastway

Let's goTonight's the night when the groovin's too tight
You just feel you got to pull all the strokes
So you take her outside, fool around for a while
Show her things a woman should knowFeel me, touch me
Oh, anything you want
You wantSo you're aimin' to tease and the lady says please
Show me things, I really ought to know
Ask some advise, I really hypnotize
And rev-up and let yourself go, alrightFeel me, touch me
Oh, anything you want
You wantFeel me, touch me
Do anything you want
You wantDynamite and glycerin, couldn't change the way I feel about you
And I think you should know
But one thing's for sure, you ain't all that poor
When it comes to makin' loveFeel me, touch me
Do anything you want
You wantFeel me, touch me
Oh, anything you want
Feel me, touch me
Oh, anything you want
Yeah, we
