

Rain On A Tin Roof

[Julie Roberts](#)

His eyes are blue just like the ocean
His heart is a river free
And now and then he gets the notion
And he finds his way to me His loves like rain on a tin roof
The sweet song of a summertime storm
And oh, the way that it moves you
Its a melody of passion ragin on and then its gone He tells me hell be back to see me
Every time he has to go
And I keep wonderin just when thatll be
Cause with him you never know His loves like rain on a tin roof
The sweet song of a summertime storm
And oh, the way that it moves you
Its a melody of passion ragin on and then its gone And just like a thirsty field, I cant complain a bit
Cause Im thankful for every single drop I get His loves like rain on a tin roof
The sweet song of a summertime storm
And oh, the way that it moves you
Its a melody of passion ragin on and then its gone
And then its gone, then its gone
