

# I Want To Know What Love Is

Shirley Bassey

Tina Arena

In Deep

I Want To Know What Love Is Gotta take a little time

A little time to think things over

Better read between the lines

In case I need it when I'm older

Ooh yeah

This mountain I must climb

Is like the world upon my shoulders

Through the clouds I see love shine

It keeps me warm as life grows colder

In my life

There's been heartache and pain

I don't know if I can face it again

Can't stop now

I've traveled so far

To change this lonely life

I want to know what love is

I want you to show me

I want to feel what love is

I know you can show me

Yeah

Gonna take a little time

A little time to look around me

Got nowhere left to hide

Looks like love has finally found me

In my life

There's been heartache and pain

I don't know if I can face it again

Can't stop now

I've travelled so far

To change this lonely life

I want to know what love is

I want you to show me

I feel what love is

I know you can show me

Yeah

Lord help me to be strong

On this road I travel on

When I'm lost and lonely  
Find me  
My journey's just begun  
And I'm not the only one  
Cause I want to know  
I want to know  
Yes I've found out  
I want you to show me  
I want to feel what love is  
Oh yeah  
I know you can show me  
I want to know what love is  
Yes I've found out  
I want you to show me  
I want to feel what love is  
You can't hide  
I know you can show me  
Yeah, Nah yeah  
Cause I want to know  
want to know  
Tell me what love is  
Do you know what it is  
Tell me what love is  
Show me what love is  
Show me what love is
