Hero

Serge

Today, I need a hero so (so),
I'll call my hero.
Big Leagues to save the savior for (for)... I'm in danger.
I have broken (broken), what was spoken (spoken) but stay quiet (quiet).
Runaway, you are naked, so hide it (hide it).
Be a hero (Be a hero) but your evil. So instead, see he says...

HOOK
In your garden (In your garden), when you're fallin' (when you're fallin'), I'm your Hero (I'm your hero).
I'm the Savior who rescues his people...
from the shadows cause your feeble.
Can't you see, can't you say...
?, I'm Hero (Hero), Hero (Hero), Hero (Hero)
I shed blood for that place, I'm your Hero (your Hero)
Hero (Hero), Hero (Hero)
Turn away and be saved.

I'm in my garden and I've fallen, disobeyed your decrees.
So I run to the trees and I gather some leaves and I hide but he calls unto me.
So I run even faster as I hear the Master but I don't answer...
but my sins have been captured, nature is simple, so I'm like a natural disaster.
So ashamed, but more depressed.
I'm getting' worse as the years progress.
Found but I feel so lost and lookin' for a tree and he points to the cross to go high.
So I find it, as I run I am slowly reminded, that he died and rose out the grave.
So he fought, he rose, can we say...

HOOK
In your garden (In your garden), when you're fallin' (when you're fallin'), I'm your hero (I'm your hero).
I'm the Savior who rescues his people...
from the shadows cause your feeble.
Can't you see, can't you say...
?, I'm Hero (Hero), Hero (Hero), Hero (Hero)
I shed blood for that place, I'm your Hero (your Hero)
Hero (Hero), Hero (Hero)
Turn away and be saved.

Today, I need a Hero so (so),
I will call my Hero.
Put off your fig leaves, let go (let go)

He can save your soul.
When you've broken, what was spoken
Do not hide it, run to him he is calling the blinded.
He's your Hero, leave your ego cause your dead so he says..

HOOK
In your garden (In your garden), when you're fallin' (when you're fallin'), I'm your hero (I'm your hero).
I'm the Savior who rescues his people...
from the shadows cause your feeble.
Can't you see, can't you say...
?, I'm Hero (Hero), Hero (Hero), Hero (Hero)
I shed blood for that place, I'm your Hero (your Hero)
Hero (Hero), Hero (Hero)
Turn away and be saved.
