Talking to the Trees

Polar Lights

Awake my aching soul
The winter's gone
You can come on home now
Take off the shroud that you're wearing underneath
The Winter's gone I've been Talking To The TreesAwake my aching soul
The winter's gone
You can come on home now
Take off the shroud that you're wearing underneath
The Winter's gone I've been Talking To The TreesLooking out for the sun, I'm following shadows
Like a thief in the dark designed to follow
But lately I've been talking to God
To rest my feet and this ache in my heart
Faith don't fail meAwake my aching soul
The winter's gone
You can come on home now
Take off the shroud that you're wearing underneath
The Winter's gone I've been Talking To The TreesAwake my aching soul
The winter's gone
You can come on home now
Take off the shroud that you're wearing underneath
The Winter's gone I've been Talking To The TreesFaith don't, faith don't fail me now
We're marching on, yeah we're marching on strong
Break my, break my bones to the ground
We're holding on, yeah we're holding on to gravityFaith don't, faith don't fail me now
We're marching on, yeah we're marching on strong
Break my, break my bones to the ground
We're holding on, yeah we're holding on to gravityAwake my aching soul(4)The winter's gone you can come onNa Na Na Na Na Na Na Na Na Na
