

# Talking to the Trees

## Polar Lights

Awake my aching soul  
The winter's gone  
You can come on home now  
Take off the shroud that you're wearing underneath  
The Winter's gone I've been Talking To The TreesAwake my aching soul  
The winter's gone  
You can come on home now  
Take off the shroud that you're wearing underneath  
The Winter's gone I've been Talking To The TreesLooking out for the sun, I'm following shadows  
Like a thief in the dark designed to follow  
But lately I've been talking to God  
To rest my feet and this ache in my heart  
Faith don't fail meAwake my aching soul  
The winter's gone  
You can come on home now  
Take off the shroud that you're wearing underneath  
The Winter's gone I've been Talking To The TreesAwake my aching soul  
The winter's gone  
You can come on home now  
Take off the shroud that you're wearing underneath  
The Winter's gone I've been Talking To The TreesFaith don't, faith don't fail me now  
We're marching on, yeah we're marching on strong  
Break my, break my bones to the ground  
We're holding on, yeah we're holding on to gravityFaith don't, faith don't fail me now  
We're marching on, yeah we're marching on strong  
Break my, break my bones to the ground  
We're holding on, yeah we're holding on to gravityAwake my aching soul(4)The winter's gone you can come
