

# Finally Found You

## Lowkitorex

You know I'm gon get ya, yeah  
Whatever it takes, to get there  
    No I won't drop you  
    Like everybody else does  
Forget about your friends they don't care where we go  
    If they do, we'll get lost in a crowd of people  
    I've been looking for you forever baby we go  
        Together baby we go, we go  
        In this crazy world of choices I've only got a few  
Either you're coming with me, or I'm coming with you  
    Cause I finally found, I finally found you  
    You'll never have to worry if I what I say is true  
        Girl I've been looking for you  
        And when I saw you I knew  
        That I finally found, I finally found you  
        [beat break]I'm coming I'll get ya, yeah  
        We have a connection, that's right  
        This girl I'm not letting go  
        I'm gonna make you feel right, oh yea  
Forget about your friends they don't care where we go  
    If they do, we'll get lost in a crowd of people  
    I've been looking for you forever baby we go  
        Together baby we go, we go  
        In this crazy world of choices I've only got a few  
Either you're coming with me, or I'm coming with you  
    Cause I finally found, I finally found you  
  
You'll never have to worry if I what I say is true  
    Girl I've been looking for you  
    And when I saw you I knew  
    That I finally found, I finally found you  
    [beat break]I finally found, I finally found you  
[Sammy Adams]Yeah, so can I get love, too much to ask for  
    Really so tough, Find yourself,  
    moving with the sex in the drums  
    Got my hands full, grabbing on skirts, skirts  
Hands up, hands up, dance floor chillin' while I hold two cups  
    Can't stop spilling, cause i'm drunk as f-ck  
    And my song comes on, and the club goes nuts

Everytime the side goes, city i sleep best that all know  
Running around, and doing all these shows  
Round the whole globe, and come, and you go girl  
Ain't it need to think of it  
Just arrive for the night, baby live a bit  
With a place to hit, and your plans to see  
You can make a scene and party, are you into it  
In this crazy world of choices i've only got a few  
Either you're coming with me, or i'm coming with you  
Cause I finally found, I finally found you  
Finally found you! Finally found you!  
Finally found you! Finally found you!  
Finally found, I finally found you!  
You know I'm gon get ya, yeah
