

Ray of Light

Natasha Bedingfield

Zephyr in the sky at night - I wonder
Do my tears of morning
Sink beneath the sun
She's got herself a universe - Gone quickly
For the call of thunder
Threatens everyone

CHORUS:

And I feel
Like I just got home
And I feel
And I feel
Like I just got home
And I feel

Faster than the speeding light - She's flying
Trying to remember
Where it all began
She's got herself a little piece of heaven
Waiting for the time when
Earth shall be as one

CHORUS

Quicker than a ray of light
Quicker than a ray of light
Quicker than a ray of light

Zephyr in the sky at night - I wonder
Do my tears of mourning
Sink beneath the sun
She's got herself a universe - Gone quickly
For the call of thunder
Threatens everyone

And I feel
Quicker than a ray of light - Then gone for
Someone else shall be there
Through the endless years

She's got herself a universe
She's got herself a universe
She's got herself a universe
And I feel
And I feel
And I feel
Like I just got home
And I feel
Quicker than a ray of light - She's flying
Quicker than a ray of light - I'm flying
