

# Nonbelievers (feat. Pablo Moses & IJahman Levi)

## Groundation

They want all against the wall Jah  
Shackled all those nonbelievers  
They want all ye face at water  
Rockyou nonbelieverThey want all ye nonbelievers  
To see them rock and roll man like deceiversIn my prison cellno one follow me  
I'm aloneJordan rescue me  
In my cell, no one next to me  
Global war man Jah-Jah know it allIyah! I yo-yo children IyahThey want all those nonbelievers  
To see them all fall like rain upon the sea Jah  
(and of 1 ati.) But de man sail through the storm and this could not be Hando  
Leafs a fall too bounce still na crumble  
But in their faith alone they call we unfortunate  
One free from poverty and this I must seeIyah! I yo-yo children IyahThey want all those nonbelievers to  
conform  
They are asking all those nonbelievers to conformStill we have no rain upon our feet, yes  
No one to talk to with no one else to meet  
No waterfall reach upon the road  
Jah children you are on your own, foreverIyah! I yo-yo children IyahIn my prison cell no one follow me  
I'm alone Jordan rescue me  
In my cell no one next to me  
A global war man Jah - ah - ah know it all  
They want all those nonbelievers  
Tell them we don't believe yahTell them, tell them  
Weep not tell man tell them man we don't believe ya  
Ya better tell them we don't believe ya  
Nonbeliever
