

# Long Night

## The Corrs

It doesn't really matter now you're gone  
You never were around that much to speak of  
Didn't think that I could live without you, baby  
It couldn't be that hard to live alone But I'm all, all alone again  
Thinking you will never say  
That you'll be home again And it's gonna be a long night  
And it's gonna be cold without your arms  
And I'm gonna get stage fright, caught in the headlights  
It's gonna be a long night and I know I'm gonna lose this fight Once upon a time we fell in love  
And I thought that I would be the only one But now I'm on, I'm on my own again  
Thinking you will never show  
You won't be home again And it's gonna be a long night  
And it's gonna be cold without your arms  
And I'm gonna get stage fright, caught in the headlights  
It's gonna be a long night and I know I'm gonna lose this fight Lost in your arms baby, lost in your arms Now I'm  
on my own again  
Thinking you will never show  
You won't be home again And it's gonna be a long night  
And it's gonna be cold without your arms  
And I'm gonna get stage fright, caught in the headlights  
It's gonna be a long night and I know I'm gonna lose this fight  
I'm gonna get stage fright, caught in the headlights It's gonna be a long night and I know I'm gonna lose this  
fight  
I'm lost in your arms baby, lost in your arms
