

Who Da Buckest

Juicy J

[Juicy J]

The Gangsta Desciples and the Vice Lords have teamed up
We gonna fuck the motherfuckin clubs up
The fuckin Liquids, know what I'm sayin
The D and D the spot, GD's! VL's!

[Chorus: Project Pat]

Who the buckest up in here, who the buckest up in here
My niggaz, my hood, so you cowards betta fear
Man you hoes don't wanna clown
man you hoes don't wanna clown, man you hoes don't wanna clown
If you do we beat ya down (X2)

[Juicy J]

The first nigga wanna step
Gonna meet his death
First I hit the nigga wit a right, then I swing a left
Kept on dropping B's after B's till I'm out of breath
Then I took a knife and cut the fool til he bloody wet
Boy you gon respect
Real playaz when it comes to that
Knowin this ain't slavery but nigga we gon hang your neck
How you gonna diss the check writer, hoe I am a threat
Shoot at your bitch ass like the killa know you scared of that, scared of that
Bring it on nigga to this motherfuckin M-Town
Click click boom then you feel your body fall down
Don't be trippin wit these Hyde Park gangstas
Robbers, killaz, dope boyz, rapists
Gangsta Fred, Heavy C, workin with that maintenance
Cut you up, wrap you up, leave ya ass stankin
Pimp slap ya ass, momma boy, fell the rugar
So fuckin sweet, I should probably call you sugar

[Chorus: Project Pat]

Who the buckest up in here, who the buckest up in here
My niggaz, my hood, so you cowards betta fear
Man you hoes don't wanna clown
man you hoes don't wanna clown, man you hoes don't wanna clown
If you do we beat ya down (X2)
