The Urgency

Dallas Green

Wait,
I have to tell
You something
Important
Stay
Remain close to me
So I can feel important
Cause it's your eyes, I don't believe
And my heart you will mislead
Do you know the consequences, my love?
That comes with such confidenceHolding all the weight in my life
Now you turn and walk away from me
Holding all the weight in my life
Now you turn and walk away from meSo what is this now, you ask of me
What makes your pain such an urgency?
Now I want out so plain to see
Once again my dear, a new tragedyHolding all the weight in my life
Now you turn and walk away from me
Holding all the weight in my life
Now you turn and walk away from me
