Battering Ram (Live In Munich)

Saxon

Come worship at the metal church
Let your voices rise as one
Stand before the barricades
Prepare yourself for what's to come
These walls will resonate tonight
To the sound of screaming hordesDecibels will rise above to fill this concert hall
Are you ready to begin then let the hammer fall
Like a battering ram
Like a battering ram
Like a battering ramThese walls will turn to dust tonight
Long before the aftershock
Foundations crack the buildings shake
Reverberating pounding rock
Through the smoke you hear the sound
The sound of metal striking steelDo you feel adrenaline
Racing through your heart
Take it up to overload
Let's tear this place apart
Like a battering ram
Like a battering ram
Like a battering ramLet our voices fill the hall
Like we've never done before
Let me hear your battle call
Oh oh oh let me hear your battle call
Oh oh oh let me hear you one and allWelcome to the house of steel
This is where we stand or fall
Capturing the atmosphere
Trapped inside these hallowed halls
We stand inside this metal church
Together now we are rebornDecibels will rise above
Breaking down the walls
Crank it up to overload
Watch the hammer fall
Like a battering ram
(Like a battering ram)
Battering ram
