

# Don't Be Like That

## Drowners

How can say that is a strict face when you say what's down the line?

Please don't treat me like a stranger 'cause I've put in too much time

If we're forced to be apart, then I'll make up some complaint

For a lifetime in the dark begins to weight down

Back to when you were on and I agreed to your way

Back to when you were on and I agreed to your way

I still want to be involved, I just can't make those mistakes

Don't be like that is all you have to say
