Gary Floyd

Butthole Surfers

I could have a real good time if I had a gun
I know, well, I know, the things I do and say
And if I did not have no gun, well, I know, I know
I've got a knifeWell, Gary Floyd and all his pals are gonna come on down
To the round around, they're gonna' shoot all day
Saw the nature in the swimming pool
In a two-piece, oh, and I lost my cool
Well, I'm cool, the things I do and sayThe color brown is coming down
I feel my head go round and round and round
Well, Gary Floyd and all his pals are gonna come on down
To the round around, they're gonna shoot all day
