Where I Belong

Sia

Without rules, we lose
Yet we want to spare the feelings of those we love
Don't cry, we've all lied
But there is always room for forgiveness my friend
So don't treat me bad just be glad I am strong
I know where I belong
And soon you will see we are blessed and complete
There's a place here for you with me
Shine, you're fine
See I will always have a smile for you my love
And still, we will
Be okay and along the way we'll learn a thing or two
So don't treat me bad just be glad I am strong
I know where I belong
And soon you will see we are blessed and complete
There's a place here for you with me
So don't treat me bad just be glad I am strong
I know where I belong
And soon you will see we are blessed and complete
There's a place here with me my sweet

Don't treat me bad just be glad I am strong
I know where I belong, where I belong
And soon you will see we are blessed and complete
There's a place here for you with me
Oh, don't treat me bad just be glad I am strong
I know where I belong, where I belong
And soon you will see we are blessed and complete
There's a place here for you with me
So don't treat me bad just be glad I am strong
I know where I belong, where I belong
And soon you will see we are blessed and complete
There's a place here for you with me
So don't treat me bad just be glad and I am strong
I know where I belong, where I belong
And soon you will see we are blessed and complete
There's a place here for you with me
So don't treat me bad just be glad I am strong
I know where I belong

And soon you will see we are blessed and complete
There's a place here for you with me
