Hope You're Feeling Better

Santana

Is that you
Your eye's slowly fading?
Is that you
Your mind full of tears?
Is that you
Searching for a good time?
Is that you
Waitin' for all these years?And I hope you're feelin' better
Yes I hope you're feelin' good
Yes I hope you're feelin' betterIs that you?
Look across the ocean
Is that you
Thinkin' nothin's really there?
Is that you
Waiting for the sunshine?
Is that you
When all you see is glare?And I hope you're feelin' better
Yes I hope you're feelin' good
Yes I hope you're feelin' betterIs that you
Who never saw your baby?
Is that you
Who never had a friend?
Is that you
Movin' to a new town?
Is that you
Will diamonds replace your friends?And I hope you're feelin' better
Yes I hope you're feelin' good
And I hope you're feelin' better
