

Soul on Fire

Danzig

Angels fall to earth
World heats down, cool
Now your heart is cold
Waiting on the summerOf my soul
Of my soul
Of my soul
Of my soulDevil-girl you must burn
Burn at the touch of autumn's breath
Burn that heart of cold
Simmering in the SamhainOf my soulGotta wait on the Samhain of my soul, yeah
Gonna bring your world down in fireAngels fall to earth
World heats down
Oh, now you heart is cold
Waiting on the summerOf my soulGotta wait on the Samhain of my soul, yeah
Gonna bring your world down in fireGotta wait on the Samhain of my soul, yeah
Gonna bring your world down in fireCome wrap my love in your house of ice
Melt you down more than once or twice
Make you shake till the world aligns
See your body tremble with the blood on fire'Cause the season in my veins will end your world
To the season of the flames you must pray and learn
Change all the things that you've ever seen
Change all vision, kill all endingsGotta wait on the Samhain of my soul, ooh yeah
Gonna bring your world down in fireGotta wait on the Samhain of my soul, ooh yeah
Gonna bring your world down in fireGotta wait on the Samhain of my soul, ooh yeah
Gonna bring your world down in fireGotta wait on the Samhain of my soul, ooh yeah
Gonna bring your world down in fire
