

# Walkin' Cane

Abbie Gardner

Da da..??..early morning rain  
He's gonna come set things right  
He gonna save you when I'm done  
I know his soul is on the run  
My Sins have overtaken me

Hand me down my walkin' cane  
Hand me down my walkin' cane  
I'm gonna leave on the midnight train  
My sins have overtaken me

As we roam this earth alone  
When i die I'll come home  
In a while I'll get to see  
I'm going down on judgement knee  
My sins have overtaken me

Chorus.....Lead.....

Jordan deep the river is wide  
Ain't no hurry 'till we arrive  
Well my soul is heaven bound  
????????????????????????????  
My sins have overtaken me

Chorus
